or 1-800-478-9474**

This program is made possible by grant # 90EV0473 from the Department of Health and Human Services, Administration for Children and Families. Its contents are solely the responsibility of Women In Safe Homes and not necessarily represent the official views of the Department of Health and Human Services, Administration for Children and Families

Child and Family Services

Supporting safe and strong families in Southern Southeast Alaska.

WISH Child and Family Services provides opportunities for families to flourish and thrive after experiencing violence. Our trained advocates can help you access resources, reach your parenting goals, and support you as you work towards achieving long-term safety for you and your family.

Contact us today to schedule an in-person or virtual appointment!

**familyservices@wishak.org
Phone: 907-228-4161**

Services are provided free of charge, and on a first come, first serve basis. Eligibility will be determined during intake. Program is open to any residents in Ketchikan, Metlakatla, Prince of Wales Island, and Wrangell, and outlying communities.

Support Services

Parenting Support

Group and home-based parenting support and parent coaching using a variety of evidence-based curriculums and programs.

Family and Child Counseling

Responsive, individualized counseling for families and children to help encourage safety, stability, and bonding.

Case Management

WISH Advocates can assist your family with accessing services, achieving goals, and working towards a safe future for you and your family. We work as a team with other service providers and help clients in navigating needed services.

Nurturing Parenting

Group or Home-based parenting program to support family bonding and family nurturing.

Safety Planning

Customized safety planning to help families experiencing violence or co-parenting with an abuser.

Services are free of charge and confidential, and can be accessed virtually.

About WISH

WISH provides services to anyone who has been exposed to or is experiencing violence, regardless of gender. Our services are confidential and free of charge. Services include:

- 24/7 Safe Shelter for victims of violence and their families
- Crisis line
- Legal Advocacy
- Safety Planning
- Sexual Assault Response
- Youth counseling for students exposed to violence
- Community presentations and training
- And more!
