## What is WISH?

Our mission is to create a community where everyone has the opportunity to live violence free.

WISH is a grassroots organization that has been promoting a zero tolerance for violent crimes and advocating for victims rights in Ketchikan and the rural communities of Southeast Alaska for over 40 years.

WISH provides emergency shelter for women and children, and safe housing for men and other's on the the gender spectrum. WISH also provides direct service to victims and survivors of domestic violence, sexual assault, and other violent crimes. Services and support are provided by trained advocates, including a counselor, legal advocate, and 24/7 hotline 800-478-9474.

WISH Works directly with the community through our Prevention and Education Department, Irock. They provide community training and youth programs to stop violence before it starts.
